Message from the Vicar

Dearly Beloved in Christ,

New year greetings and wishes to all of you. I praise and thank God with a grateful heart for the wonderful blessings we as a parish experienced in the year 2017. It was during the watch night Service of 2016 that I first mentioned about the need of going full ahead with our Parsonage project and as I look back I see how amazingly God has led us in each and every step. Yesterday 27/12/2017 we were able to complete the casting of a major portion of the roof slab and we are moving ahead.

I also praise God that this year our Door to Door Carolling was also organised in a very efficient manner with three groups of nearly 30 to 40 Members and we were able to sing in almost every house of our parish and also a few other houses where we were invited. I appreciate the Convenors T. G. Mathewskutty, V. M. Thomas and Raji Oommen and all members young and old who were a part of this great effort.

Something unique which will stand out for 2017 Christmas is the decision of the parish for not using the Santa clause in our programmes. Accepting the reality that Santa has took a more prominent place in our Christmas celebrations to the point that even some of our kids grow up believing Christmas is the birthday of Santa; we in Thane MTC took a conscious step of removing Santa from our carol rounds, carol Service and also the Sunday school Christmas programme. I am grateful to all members of the Thane MTC parish both young and old for accepting this step and hope we will continue so in the years to come.

I also place on record my appreciation to the choir members who led us through a beautiful carol Service this year. A team led by Christy Abraham our Choir Leader, Jacob Mathew, Anoop Anish, Roji Philip and Nithya Anoop who along with all the members of the choir young and old made this Service memorable and a blessing. I also appreciate the efforts of the Sevika Sangom members, Sunday school children and the Carolling group for contributing their programmes to this service and adding to the beauty of it. A word of thanks for the Yuvajana Sakhyam who put in their efforts to decorate the church during this season.

I am also proud of our youths in this parish who have become more involved in our fellowships and also taken time to prepare for various competitions which were held in the Kalyan Centre and Mumbai Diocesan level and also secured various prizes in group and individual events. Thane MTC was the third in the overall position in the kalyan Centre kalamela.

I hope and wish that as we begin the new classes for the Sunday school efforts will be taken by all parents to bring their children regularly and punctually for all classes. May I also encourage all children to participate in the Malayalam classes which is arranged by the SYF and will be helpful for us to remain connected to the cultural heritage of Kerala.

As we step into the New Year 2018 the tasks and challenges we will have will be bigger and tougher yet the presence and guidance of our Lord will surely strengthen and enable us to achieve the best in everything.

Deuteronomy 31:6 says, "Be strong and courageous. Do not be afraid or terrified because of them, for the LORD your God goes with you; he will never leave you nor forsake you."

With prayers and blessings

Thomas Achen
