Message From the Vicar

Dearly Beloved in Christ,

We have come to the final quarter of the year and also one of the busiest part of the year with loads of celebrations and programmes. Most importantly as a parish we look forward for the completion of our ongoing construction project on the third floor and also beautification of the church and its various facilities. Let us pray that the dedication of the Parsonage which is scheduled for the 1st of December 2018 will be a blessing for the parish as a whole.

The word of God reminds us about the importance of Christian witness in this world and how we need to “be transformed by the renewing of your mind”. We are called “not to conform to the pattern of this world” (Romans 12: 2a) we have recently seen the Supreme Court of India give out few judgements which has become a point of discussion and hot debates on the news channels and in various circles also. The verdict on decriminalizing Homosexuality (section 377), Decriminalizing adultery (section 497) have raised questions about their moral and legal implications on the church and also as a Christian believer. We cannot get panicked and run into haphazard conclusions but we need to address this situation and the consequences that can arise out of these in a matured manner. Our reference point being the Bible we always can go back and fall on the word of God and pray that Holy Spirit will guide us in the path that Christ would want us to take. I believe that as a believer we are called not to be come conformed by saying “Yes to all that is legal and acceptable by the world”. The beliefs and faith values that we cherish regarding marriage, sexuality etc have its own uniqueness when compared to other communities and religions and we are not called to dilute that in any circumstances. Also keeping that in mind we are also not called to “condemn others or to judge them” since God loves all and all are his children. Let us try to love and respect all and let our lives become a channel of God’s love and mercy to flow into others lives too.

The Supreme Court verdict allowing the entry of women to *Sabrimala* has also invoked various reactions in the community as a whole. Some have been welcoming to the equality and the rights of women in this case and some have opposed to the Court interfering in the religious faith and practices of a temple and its community. This has also had its effect in the Christian community where again differentiation in Gender has been prevalent in certain roles that we have within the church (specifically the Mar Thoma Church) including ordination, entry into the *Madhaba*, and some have also pointed out the restriction of women during the night sessions at Maramon Convention. All these are debatable issues and let us hope and pray that the Church leadership and also the faithful community as a whole will positively respond to such needs and come to a consensus which can be implemented in the functioning of the church in the future. Here again we need to wait upon the Lord and not run into conclusions in haste.

The above issues have become more debated in the social media forums along with the newsroom discussions. I do agree that it is one the greatest blessing of being in a democratic country with a free speech and also with so much of technological advance in mobile and internet that everyone can be in the world wide net and also express themselves and their views openly. Here again I personally feel that freedom comes with its responsibilities also. In the name of free speech and freedom we are not expected to slander or shame individuals or communities which can again have negative repercussions. Also as Christian believers we need to be aware of how the things we express in a public forum can be viewed by anyone on this earth and can be misinterpreted or reproduced in a totally different manner out of the context that we are speaking or writing; which will cause negative effects on our witness as individuals and also defame the Church and eventually Christ himself. So let us always be conscious of what we express in the social forums regarding our Church or our faith practices, so that we will only say things which will help in the exhortation of our fellow beings and also bring Glory to God.

In the month of October we have the Mar Thoma Voluntary Evangelist Association celebration on 7th October, following this we have the Mar Thoma Yuvajana Sakhyam week from 14th to 21st of October and then the family Sunday on 28th of October.

We will be having the first round of our Harvest festival on the 28th of October immediately after the service and the second round of the Harvest festival will be on the 4th of November 2018. We expect the participation of all the families for the same. In the last two years I have noticed that hardly 50 to 80 families participate in the auction which needs to be changed and all of us have to bring in our contributions for the Harvest festival and also participate in the auction with a mind of contributing to the church our best.

In the month of November we will be having our Children's worship on the 4th of November along with the World Sunday School day celebrations. Our children will lead the worship in English and I hope all the parents will be there to encourage them in their efforts. The VBS for this year is scheduled from 4th to 10th of November and we shall update you with more details in the coming week.

The dedication of the parsonage is scheduled for the 1st of December at 5.30 pm and our Diocesan Bishop Rt. Rev. Dr. Geevarghese Mar Theodosius Episcopa has consented to lead the same. Thirumeni has also scheduled his Episcopal visit on the 2nd of December (Sunday) at 8.30 am and will celebrate the Holy Communion and bless the dedication of the First Communicants during that service. The Carol rounds is scheduled for the third week of December and we shall update you with more details. Our Carol Service led by the church choir will be held on the 22nd of December (Saturday) and we hope all members will participate.

May the lord strengthen us all.

God bless.

Thomas Achen
