Email: ktthomas@seamec.in

## From the *Vicar's Desk*

Dearly Beloved in Christ.

God created the heaven and the earth is one of the central doctrines of Christian Faith. It is placed at the beginning of the Christian confessions. It will not be an exaggeration, if we say that the whole Bible is dealt with the subject of God's creation.

The Bible begins with the account of the creation of order (world, cosmos) which goes on to tell us about the fall that disturbed the created order and God's endeavour to redeem the fallen world and ends up with the redemption of the world and the creation of the new heavens and the new earth where righteousness dwells. Men and women, who live in accordance with God's will, become partakers in the creation of the new world order, which is a world of shalom, a world where justice and peace kiss each other. (Ps.85:10)

All our Parish programs should rekindle our convictions and the sense of goal, which should result in the mending and amending of our ways. But quite often we see the frigidity and apathy of the human person to anything and everything that does not affect his/her extreme selfishness! On the social realm we see more and more intimidating and annihilating advances made in the name of religion, faith, region and language. The atrocious incidents taking place in different parts of the world and in our own country these days are terribly disgusting and alarming to any sensible person of a civil society! Learning to live with respect for the other irrespective of his/her religion, regional, linguistic and other backgrounds, and valuing and honoring the fundamental rights within the larger frame of a good civil society is very vital today.

The name of Mahatma Gandhi will be invoked with customary and ritualistic promptness on October 2; the challenge is to carry forward the values of commitment to larger goodness that he espoused and practiced in all realms of his life. Systems of governance and law enforcement are all the more challenged to be vigilant with a just and egalitarian outlook. The silencing and elimination of the differing voices not only by extremists, but such efforts by systems/institutions that are supposed to ensure justice and freedom too, are on the rise!

The forthcoming quarter is full of events and activities for us. Our this Year's

Harvest Festival will be celebrated on 13th October and 10th November 2019. This year, the Episcopal Visit will be on 22nd December, 2019. During the visit first communion will be given to those who are willing and come of age. Please contact me for the special classes. Family Sunday will be on 27th October, 2019, followed by our V.B.S., Christmas Programme and Watch night service & New Year service.

I sincerely appreciate and congratulate all the office-bearers and all members of the Executive Committee and whole hearted support of our members for the D.D.F. collection to support our diocese. As you know, Navjeevan Centre is celebrating the Silver Jubilee this year. A fund Raising Programme is organised for the same. Dr. John Mathew (Roy) is the General Convenor of this programme. Please support the work of Navjeevan Centre. I hope and pray that everything will be a blessing to all the members of the Parish.

The themes and the lectionary of the period Oct. to Dec. are very vital and significant with the comprehensive challenges. The call of the laity (distinguished from the ordained clergy) to be co-workers in the Lord's Ministry is a vital thrust of the Reformation tradition. The Voluntary Evangelists' Association Day should help us to strengthen the participatory role of the laity and the clergy together as the chosen people for the glory of God.

The significant place and role of the Youth in shaping the Church of the future and the future of the Church, and the need to nurture the kids so as to take up the challenge, are also to be taken seriously on the Youth Sunday and the Sunday School Day. The ADVENT season is approaching with its message of great HOPE & JOY! May the "baby in the manger" instill in our lives the invincible hope and joy of redemption from the bondage of sin, darkness and death.

It is my appeal to every one of you to whole heartedly participate in all the programs with a real sense of gratitude and dedication. I request all of you to take note of the upcoming programs, and ensure your prayerful presence accordingly.

Wish you all a Happy Christmas and a Blessed New Year!!!

May God bless all of us.

With Prayers,  
*Yours in His Service*

**Gigy Achen**
